DETAILED ACTION

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 7, line 3, "A" has been changed to -a--.

In claim 7, line 7, "The" has been changed to -the--.

In claim 7, line 13, "Apparatus" has been changed to -apparatus--.

In claim 7, line 17, "Said" has been changed to -said--.

In claim 12, line 3, "A" has been changed to -a--.

In claim 12, line 7, "The" has been changed to -the--.

In claim 12, line 13, "Apparatus" has been changed to -apparatus--.

In claim 12, line 17, "Said" has been changed to -said--.

2. The following is an examiner's statement of reasons for allowance: the prior art of record fails to shown or fairly suggest a luggage item handle conversion apparatus, in combination with a preexisting handle assembly of a wheeled object,

and in the entire claimed combination, including an apparatus attachment means for attaching and restraining the said handle conversion apparatus in a parallel axis to said preexisting handle grip, but in a perpendicular axis to said preexisting supporting distal units, to restrain and stabilize the orientation of said preexisting handle assembly members relative to said apparatus attachment means, as claimed. (Note that the “means for” language of the independent claims invokes USC 112 6th paragraph, thus requiring that the attachment means have first and second straps as disclosed by applicant’s specification.)

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark A. Williams whose telephone number is (703) 305-3438. The examiner can normally be reached on Monday through Friday.
